

# ACTELION YOUTUBE COMMUNITY GUIDELINES

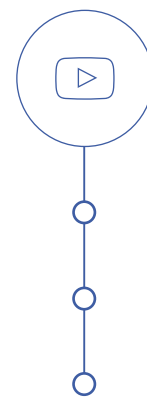

Dear YouTube community,

We strive to communicate transparently, based on fact and with consistency. In line with our traditional communication channels, we utilize and leverage our YouTube channel to provide expert insight into our target disease areas and our expertise in Research and Development, and highlight our Corporate Sustainability activities. DiscoverActelion allows us to share a more personal view of us and our company culture.

We are sorry, but you will not be able to comment on our videos directly on YouTube.

Stay connected and join the conversation via our corporate Facebook page - @actelion!

Please keep in mind that the pharmaceutical industry is highly regulated and, as a result, we cannot upload videos about products - ours or other companies' - or treatment options, market rumors, regulatory bodies and government, competitors, forecasts and budgets, or pending matters.
